“ *Jan and family. Words just can not say how I will miss Tim coming by The Aldersgate office and saying hello to us while we were having our morning coffee with Jan and others. And the bike that was brought for us to see what he created from wood. God surely blessed Tim with the ability to turn pieces of wood into something great. I know that Tim loved his family and his church very much. Please let Pearl and I know if there is anything we can do.*
