Mike was a shy, quiet young man, always a gentleman. So sorry for the family loss, praying for you during this time of difficulty.

“ Mike and I grew up together we were best friends. I have so many great memories together it's hard to pick just one. Mike is only a few months older than me. Our playground was from out door steps all the way to the backwaters of warrior river. We played in the creeks, fished the creeks and river. Hunted squirrels ,Played yard ball (he was a sore loser 🤔). Went to church together. Got in trouble together and suffered the consequences together. We spent many nights together growing up. We didn't have video games and such but we had great imaginations and could make games out of anything, even a Tarzan swing out of a muscadine vine, or a homemade wagon. Best of all we had a host of cousins to help out. I have to make myself stop because memory's keep pilling up. Mike will always be in my thoughts full of fond memories!
