“ *Mr. Champion was such a great person! He’s taught me lots of good things. I met him 10 years ago. We became very close. He was like a papa to me he meant so much it’s been rough for me. And I know it’s been rough for the family. Love you Mr. Champion-Haven*

“ *If you didn't know this about Jim, it will always be one of my fondest memories. He loved blue birds and loved to make blue bird houses. He made us several houses and was as thrilled as we were when a blue bird would build a nest and raise a family in his house. Although, we always thanked him(and Patsy and the neighbors who seemed to get involved), I realize now what a treasure we have. We miss him.*

“ So sorry to hear this today about Mr. Champion. He was such a precious soul. I enjoyed his visits to The Graysville Library. If he didn't have something specific he wanted to read I would pick him out something that I knew he would enjoy reading. He and his wife are such wonderful people and I so enjoyed all of our talks. Everytime Mr. Champion would leave he would get him a drink out of the water fountain and he would say "I know that's the coldest water around" You will be missed by your friends & family Mr. Champion but we know what a beautiful place you are at now.....
