“ *Janice was such a wonderful lady. She became good friends with us by us patronizing The Hickory House every Saturday and most Sundays. She always carried a smile and always remembered you when she saw you elsewhere. The last time I got to see and talk with her was at White House Restaurant where we happen to be in there while they were dining also. I will never forget her sweet smile and talking at length with us. My prayers are with you and want you to know she was a very dear friend as you and her both were to us.*
