“ Our Grandma ,

Our grandma held us tight ,loved us , and kissed our cheeks .

Our grandma was sweet but firm . She hated to whip us but had a strong hand when we needed correcting .

Our grandma was a cook . She made all our favorite foods from fried apple pies to tomatoe gravy , u name it she fixed it .No matter what time of the day it was .

Our grandma was a nurse she could fix all our boo boos . All she had to do was give us a little attention and we felt better that was all the medicine that we needed .

Our gramma , loved her flowers and trees . If you we're caught messing with them she would remind us of how precious they was to her by the reminding of the switching to the back side she would let us have every time any of us would forget to leave them alone.

Our grandma was a hard worker . She never gave up all the way into her golden years . One day she got sick and started losing her memory . It broke our hearts . We couldn't understand why she couldn't remember us :(all we had was our memories of us all together.

Our gramma is now an angel in heaven with Jesus . She is no longer in pain . She can walk again in her new body .she now watches us from heaven :) she is our guardian angel .

That is our grandma !!!!!

Grandma loved us all equally , she didn't have no favorites!
