“ *Dear Bud and family,*

I remember meeting your family when I baby-sat your kids. They were a delight and you had not yet welcomed baby Jennie into the Lowery family. On behalf of my family we want you to know that we will pray for all of you and I do remember your mom and Mr. Wiley. When he died your mom wanted me to teach her how to drive his old Hudson, at the time I could not drive myself, but I would not tell her that, I think I was in my middle teens, but what teenager wants to admit they can't drive? She found out when I keep flooding it out and that was that. She was a lovely Southern lady and it was my pleasure to know the Lowery Family. Gail Cochran Blackwell, Raleigh, NC.
