“ *JimmieLou back in 1975 when I started working we worked together up until 1983 then I transfer to main office..(then back to Dora)I am sure Lou was so glad! No we had a lots of fun...I would tell her she worked harder getting out of work than she did working. She would smile tell me oh Hun. Never got mad about anything that I can remember. A very dear lady...I think about her a lots! RIP Lou*
