“ I just read about the recent death of your loved one. The Bible calls death an enemy and that is certainly how it strikes us, as an enemy. Take comfort in knowing that the loving God who created us did not want us to suffer in tears of pain. “He will actually swallow up death forever, and the Sovereign Lord will certainly wipe the tears from all faces. And the reproach of his people He will take away from all the earth, for God himself has spoken [it].” Isaiah 25:8. My thoughts and prayers are with you in your time of grief. May your memories as well as these few words, bring you a measure of comfort.
