“ *Mrs. Suchey was my 3rd grade teacher at Bagley over 30 years ago. She was a great teacher, and we shared a lot of humorous stories from that time when we would see each other as I grew into an adult. As a teacher in our wonderful community myself now, I have come to appreciate all the things she instilled in us as students at Bagley decades ago. She was a pillar of the Bagley community, and she will be greatly missed.*
