“ *Prissy Alberta is what I called her...don't know how that name came about. She was one of the sweetest, friendliest ladies I have ever met. Always the same, no matter what, smiling and so friendly. Beautiful woman inside and out. I know she will be missed! My Sincere Sympathy to the family.*

“ *So sorry to hear of the passing of my dear friend and neighbor for over 50 years. My thoughts and prayers are with all of you. She was so good and kind to me over the last few years when it was hard for me to get out and we would always check on each other everyday. Sending love and will miss her.*

“ *So sorry Lou. I remember when we all started Tri County School. Your Mom and Dad and a lot of people worked so hard to get things going. We went to the school and cooked and served lunches to make money for the school. We had a good time all working together. She will be missed by many.*
