“ *Though I did not personally know Mr. Day, I want to take a moment to express my deepest sympathy to his family. No doubt the loss of such a dear loved one will be felt by many. Long ago the faithful man job asked if an able-bodied man died could he live again. The comforting answer is yes. Our God the Creator yearns to bring back to life those who have died. (Job 14:13-15) May this and other promises recorded in God's Word the Bible continue to carry your family in this critical time.*
