“ I am so blessed to have had you in my life end equally as honored to have been part of yours. You were taken too soon, however, you will endure no more suffering, for that I am grateful. Keep an eye on us, just as you have always done.

"God looked around his garden and found an empty space, he looked down upon this earth and saw your tired face. He put his arm around you and lifted you to rest. Gods garden must be beautiful, he only takes the best"

Love you! Miss you! Roll Tide!!!
