“ *As I sit here at my desk, I can think of a million conversations with Joyce. I reflect on them daily and the thought of never being able to tell her silly stuff and make her laugh saddens me. She would say "Pam.....I have never heard of that and I am not going to even ask you where you got that from" LOL.....Rest in Heaven Beautiful Lady!!!!*

“ I became very fond of Joyce on Facebook. I was sick several months this year and Joyce encouraged me, even though she was much sicker than me. I could tell from our messages on Facebook what a sweet and loving person she was. Our families were close in Jacksonville, Arkansas, many years ago so I was familiar with her family and knew they were very good people. My heart grieves for her family.

“*Joyce was a beautiful example of a Christfilled life. She was a tremendous blessing to me during my bouts with depression. When she worked at the bank in Sumiton and I would go thru the drive thru window and she would see I wasn't doing well, she would pray for me right there at her place of work. She was a person that didn't let being at work keep her from doing Gods work of blessing people. She always lifted my spirits. I loved Joyce for being the kind of person she was. I will always remember her beautiful smile and her love for the Lird and her great faith.*”
