“ *Auntie Kathy will forever be in my heart. I was her nurse at Grandview Medical Center from the moment she came. Her and Uncle Mike placed a remarkable impact on me. My dearest memory of her is the removal of the red nail polish in order to get a good oxygen reading. Uncle Mike stated, “Oh you in your own with that. “ So I knew I had to replace that polish soon. Luckily the family beat me to it. The first moment I was able to tell her about the polish I did. She laughed and said it was okay. I am so thankful I was able to share many moments with the family. My condolences are with each of you.*

*Sincerely,
Felicia Parker RN*
