“ My earliest memory of Keith is when I was about 7 years old. I watched him ride his bike down the hill in his neighborhood without hands. For a kid, that was pretty epic.

“ Keith was always smiling when I seen him. I liked that he was a Godly man and wasn't afraid to let everyone know. I will miss him terribly, but I know that the Lord has him and I will see him again.

Cassandra Aaron - June 14, 2024 at 04:41 PM

“ Always smiling , always happy , one of the best all around people I've had the privilege to know. No matter how long in between seeing each other , things always seemed like we were always hanging out . Never heard a negative comment come out of his mouth. Was a proud Dad , His son was his proudest achievement , and looked up to his father. Loved his partner (Blair Funderberg) with all his soul. Gone from this world far too soon , the light he omitted will shine on for all eternity. Even though life got in the way for all of us , I'll always consider Keith (FERGIE) one of the best guys and friend I've come to know.
Fly High my Friend , your in God's hands Now. Love You Brother!
