“ Sweet baby Kensley,
I was so excited when you were born. I couldn’t wait to hold you and love on you. You are so beautiful , with your dark hair, pretty complexion , and sweet little grin. This is not the way it's suppose to go. I miss you terribly. I wanted so much more time with you. But I know God knows what's best for us, even if we don't understand. I thank God for everyday he let us have you. You are definetly worth it! I will never , ever forget you! I love you with all my heart. I praise Jesus that I will see you again one day. Until then my sweet baby girl, enjoy Papaw !
I love you precious
