“ *The world has lost a beautiful man and our God has gained an angel! This is one of the finest men that you would meet in a life time. I worked with Kent numerous years and his style of management was to support and praise his subordinates in what every they were doing. He always had a smile on his face and nice compliment to greet you with, he just made one feel good being around him. I never heard anyone speak anything other than what a super nice person he was which I totally agree. Kent was my immediate supervisor and a dear friend and will be greatly missed in my world. Prayers that the hurt and pain of the loss of this wonderful man be short lived by his family and friends! God bless his family and friends. Your work on earth well done! RIP Kent.*

“ *Our hearts are broken after hearing the news about Kent’s passing. I just talked to him this week and we had the best conversation about old times at Sonat. He was very alert and seemed very happy. We miss Paulette every day and know that Kent is finally happy and with her. Our thoughts and prayers are with his family and all of his friends who loved him.*
