“ I have never met Kevin but I share his passion for IndyCar. In addition to his work on OpenPaddock, he was a regular contributor to trackforum.com, a discussion board dedicated to IndyCar. He was such a wealth of information and such a great ambassador for the sport. You should check out the discussion forum and see just how many online friends he made.

My condolences to the entire family

“ Please accept my deepest sympathy to Kevin's family. I worked with him at BABC and always enjoyed talking with him. I felt special because he considered me a friend and I considered him a friend also.

“ I have worked with Kevin for many years at Bradley Arant. He never passed by desk without stopping and saying hello and he never left my desk without hugging my neck. He was a wonderful person and will be greatly missed!
