“ *I lost my son in October of 2010. There is no greater pain on this earth. I know it does not seem like it now, but you will survive this. Take strength from your friends and family and God's word. "The Lord is close to the broken hearted and saves those who are crushed on spirit." Psalm 34:18. God bless your family.*

“ As Landon's mother, I would like to thank everyone for their generous love and support during this difficult loss. Both sides of Landon's family are so very deeply hurt right now. Our only comfort during this time is knowing that our precious angel is looking down upon us from Heaven, and that he is walking the streets of gold holding Jesus's hand. Thanks again to everyone.

“Matthew 5:4 Blessed are they that mourn: for they shall be comforted.

"Cuddled in Heaven"

We had so little time to share, Too soon, I had to leave.

I know how much you love me. I know how much you grieve.

I know how sharp your pain is, I feel the aching in your hearts.

My life so quickly ended before it barely had a start.

I remember how you held me, and kissed my face and hands.

You cuddled me so gently, but God had other plans.

I was your perfect angel, from God you knew I came. Suddenly he called me home again, and now God holds my hand.

I know you'll always miss me, I understand your pain is hard to bear.

Just remember that I'm in heaven and we'll see each other there.

So smile when you think of me and wipe away all your tears.

I'm cuddled now in heaven by our family members here.

I'm waiting here in heaven, and on the day we meet again,

I'll be the first to smile and greet you, when God calls you home to him.

To Landon's family, you are in my thoughts and prayers.
