Larry had a love for children and held an annual Christmas fundraiser to bring toys and joy to children that needed it. There was never anything that Larry would not do for someone else.

“ I haven't known Larry and Darlene but a few months but in those few months, I've learned they were crazy about each other! I remember when I first met Darlene, it was a little after Larry and I told her how beautiful she was! Larry spoke right up and said "isn't she?!" He told me to make sure I never went without that if I needed anything to please let him know! He was a very hard worker and my heart is broken. I had just spoken to Larry and I've seen him almost daily since I've met him. I couldn't believe when I heard he was gone. 💔😭 I'm so sorry for the family. I'm especially sorry for Darlene. She's had two horrible losses in 2 weeks. Especially, this was her life partner. I'm so broken for you and I'm here if I can do anything at all. I mean that!

“ *Every single word of Larry's obituary was spot on. Larry was one of the most loving and generous men I have ever known. His love for Darlene and his children was immeasurable but he still had plenty of love left over for all of those around him. I witnessed first hand his giving nature and how far he would go to make sure that those around him had clothing, food and shelter. He was always the first to step up and lend a helping hand or offer a word of support. He was loved by many, myself included. Darlene, my heart is broken for you and the kids. I'm here if there is anything at all I can do for you. Love you always my sweet friend.*
