“ Our community has lost another great man and leader that set an example of how to treat people. I remember as a young adult just starting a job in Birmingham, had truck problems and didn't have money to fix it at the time. Larry stepped up and helped a young man out. I'll always be grateful. Will be praying for the family.

“ *Larry helped so many in the community over the years, including me. I'm now living away from home, for now, but when I come back I hope that Sayre Auto Parts is run with the same kind of "Golden Rule" love for the community that Larry had run it. May God grant the family peace and comfort during this trying time.*
