“ *I am so sorry to have read of your loss. Please accept my sincere condolences. Something that I have personally found to be of great comfort is what the Bible says at John 5:28,29 and Revelation 21:4. In these verses we see that soon God is going to bring about a resurrection of our loved ones and that he is going to do away with all causes we have for suffering including sickness and death. Knowing this has always comforted me and it is my sincere hope that these thoughts comfort your family as well.*
