“ *O Lord, Come and presence yourself with this family. Comfort them in their loss, hold them in their sorrow and sustain them through their grief. Enfold them all with your love Lord that they may rest within your arms. Watch over their sleep and take their hands each morning as they face a new day. Bind their hearts as one and bless their relationships. Might they be united in their loss but also blessed with smiles and goodness. Lead this precious family onwards to embrace life together, yet hold on to the promise of heaven.*

*Amen.*
