“ I've been a friend of her grandson since elementary school. Around 14 years old I started hanging out with him at her house. She fed me many a meals as I'd stay there for their pool parties. She was always so kind to me. More like another grandmother to me! And I'd even call her granny. She was more like a 2nd family to me. ALL of her family was that way to me! She'll be deeply missed!
