“*"Granny" Wilson was a sweet lady with a big heart. She was quick to smile, and to lend a helping hand. My children rode her bus and she truly was like a Granny to them. I cannot remember the reason behind it, but one afternoon she didn't just drop them off at the end of the driveway, she drove up the driveway and delivered them to the door! We have a lot of good (school) memories that include her. Our thoughts and prayers are with you.*
