“ *I have known Jeanette Anderton for so many years. She was one of my mom's friends Faye Sanford. She was the type of person that if you needed her, she would be there for you. Her daughter Lynette is one of my besties. When I found out from Lynette, it broke my heart. I know it was bad. She was battling so much, Lynette. we love you and we will be praying for you and your family or as you know I have Covid. I will see you soon sweetie.*

“ *Lynette, so sorry to hear about Jeannette. She was such a wonderful person. We shared such good times as she and Darrin were working at Graysville Baptist Clinic. I am starting a new job on Tuesday and cannot be with you in person but know that my thoughts and prayers are with you. Til we are all together again we will cherish our memories.*
