“ *I've known Loretta most of my life. I was at her wedding when I was 6 years old. We became more close after she moved to Alabama. She was a BFF.*

“ *Loretta was like a 2nd mother to me. There are so many memories. Lots of laughter. Many talks. It is simply hard to put into words what a blessing she was to my life. I will miss her. She is now pain free and with MW and Marty. She no longer has to imagine what heaven is like. She can now rest high on her cloud drinking her Diet Pepsi. Rest in peace my friend. I will be praying for all of you. May God give you peace and strength during this difficult time!*

“ My family goes back over 50 years with her family. We lived down the road from her mom on Melody and I believe my mom went to church with Mandy at Long's Chapel many years before I was born. Also MW was a brother to my mom's brother in law J.T Craig. They are together in heaven now but we all miss them. My prayers for all.

“ MW & Loretta were my Pastors for a big part of my life and I'm very thankful for that.
I know when MW had passed away she missed him so much, when Marty passed she was heartbroken and now they are together again.
I remember once when I was a teenager she told me when she went to heaven I would find her laying on a cloud, sipping a Pepsi.
😂
She was SO much fun.
She always checked on me in the last couple of years when I was really sick, I'll never forget that.
Praying for the family 🙏
