“ My memory about love with my Aunt Loretta is as a child for love she brought us into her home not as a niece but more like a daughter. A strong woman to keep her family in the way of the Lord just as her own mother and father had done. Her first love the Lord and then all others. Her Faith yes so strong her Peace through Lord Jesus Christ and Joy and Grace..she always knew what it meant in first John verse 4 :19 for it said WE love you because He first loved us. My love..our family never forget always remember to remember the walk this lady walked and follow follow in her footsteps foreign Hebrews 10:24 and let us consider one another in order to stir up love and good works I believe this is what Aunt Lo would want us to do so rejoice with her and the homecoming for this lamb of God has come into the grace of God...Her beautiful voice singing with the angels how I enjoyed hearing her sing ..please God be with the family in this time..Pamela Kitchens Mimbs.
