“ *Terry and Jed, so very sorry to hear of the passing of Margaret. She was such a special person. My mom and her worked some years together and became good friends. I also worked with her, and she was one of the nicest, kind, loving person I ever had the pleasure of working with. That was the early seventies when I was fifteen. Even after all the years that have gone by when we ran into each other it would be just like us talking in those early 70's days. She loved you boys. I am heart broken to find out so late about her passing.*

“ *When I started going to New Canaan church around 1978 Margaret Wood made me feel welcome. She was always friendly and nice to my daughter and I. She was a very attractive woman, I admired her very much. I am so sorry she has passed and prayers for her family. But I know she is enjoying her final home!*

“ A precious Christian lady is with her Lord and Savior. I came to Empire to care for my dad and mom. They attended New Canaan Baptist church. That is where I was introduced to your mom. She embraced me and I could feel the love she had for me. She sat in the same place every Sunday. She always had a prayer request. Her obituary is so true she wanted everyone to know Jesus. I live in Michigan but after my dad passed and I would come back I would stop if she was home. I am proud that I had Margret for a special friend. She was a prayer warrior. My sympathy to the family. She loved all you dearly.
