

Margie Chadwick

December 16, 1971 - January 24, 2026

A woman who embraced life with boundless enthusiasm.

She was known for her deep love of life and her unwavering devotion to her family. Whether she was celebrating everyday moments or marking life's milestones, she brought warmth, energy, and joy wherever she went. Her laughter was infectious, her presence comforting, and her ability to make others feel seen and loved was a gift to all who knew her.

Family was the center of her world. She cherished time spent with loved ones and found her greatest happiness in caring for, supporting, and celebrating them. Her love was generous and constant, and it will continue to be felt through the many lives she touched.

Though her presents will be deeply missed her spirit will carry on in all those she loved

Margie

It's hard to think about a life without you. It never mattered what I had going on in my life, even on my worst day you made me smile & made me so happy! You brought laughter wherever you were. You were truly a light in this world & your heart of gold was unbeatable. I love you so much & will miss you so much, big mamma. Aubrey will continue to collect all the giraffes for you & you will always have a piece of our hearts
