“ My name is Sharon Calloway, but to Mr Hendon I was Sherry....every morning I would see him at Omlet Shoppe where I always saw his smiling face and his frisky attitude, especially right before and during Alabama football season. He was a great friend to Plaza Apothecary owners as well as employees which is where I really got to know him. Taking him his medications and being able to sit and talk to him. He really loved his family and his grandchildren. He was the most loving and sweetest person I knew, always there taking care of Mrs Mary, visiting her everyday sometimes two times a day.....The world is a better place because he was in it. I'm a better person because I knew him and blessed to call him my friend. Mr Hendon you are loved and will be missed. Sharon (Sherry to you)
