“ *I am so sorry that I did not remember the funeral home time tonight. I loved Nita very much and had stopped to visit several times with her over the years at home in Graysville. She made the best fried chicken ever! I love all of you and I share in your celebration of her going to meet her Lord and Savior whom she served faithfully. I shared many happy moments in the Hyche home. I know she will be missed by all of you, but "Oh what a happy time she is having!" Hope to see you all tomorrow.*

“ *I really don't know what to say other than thank you. Thank you for being you, thank you for being so strong for so many, thank you for our living room chats the last few years. I've been holding off for a day because I've been so full of emotion. I love you, I miss you, but you will always be in my heart. You are a part of me, and I will always remember our times together. Life without you will not be the same. I'll always be YOUR GREAT GRANDSON! Love, Shawn*

“ *What a wonderful, loving family As I viewed the pictures it brought back so many fun memories. Aunt Nita was so much fun. Always brought joy to her surroundings and made one feel special. Her great faith and love for the Lord always comes to mind when I reflect on her life. She was a faithful woman of God. The Proverbs 31 Woman fits her so well. She saw to her family and others. One of the greatest gifts a parent can leave a child is to have knowledge that when that parent dies, he or she is spending an eternity with God. She definitely left you all that peace of mind. Her legacy of faith and family will go on. I loved her. I always got excited when you all drove up to Grandmother's house. I knew the fun was about to begin. Aunt Nita always brought the most delicious Ambrosia for holidays. That was her special recipe. There are too many memories to record. I love all of you and have you in my heart and prayers. . “ *I remember coming and seeing you so many times with Mary. You always welcomed us in with open arms. The only thing you complained about was that you wanted us to come see you more. I will keep all memories of you and Mary in my heart. I love you*

*Shelia, Peggy, Glenda & Freddy, you & your families are all in my prayers. I am so sorry for your loss, but we all know Aunt Nita no longer suffers & she is in God's loving arms. It has been a long time since we were all together. I was very fond of Aunt Nita. She was a lot of fun and was very good to me. I will always remember that station wagon full of kids pulling into the driveway @ Grandmother & Granddaddy Hyche's. and everyone piled out & our adventures would begin... I have happy memories of time spent with all of you. I am sorry I cannot be there, but I am thinking of you during this difficult time. Love all of you. Sending cyber hugs to you. Love, Jan*
