“ *Betty, I am so sorry for your loss and am also at a loss for adequate words to express my grief for you and your family. God saw your precious mom getting tired. He put his loving arms around her and whispered "come to me." With tearful eyes you all watched her go. Although you loved her dearly, you could not make her stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best. When at night you're looking up at the stars, they may not be stars, but rather openings in heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy.*

“ *However, as it is written: "What no eye has seen, what no ear has heard, and what no human mind has conceived" -- the things God has prepared for those who love him-  
I shall miss you so much!  
"I love you mom"*
