“ *We are so sorry for the loss of your mother. She was a wonderful lady. You don't know us ,but my husband Joe worked with Cowboy at Chetota mines for many years. We would visit them at their home and at the cabin also. Our children loved to visit them and they loved our children. My husband spoke highly of Cowboy and enjoyed working with him. I used to write your mother at her apartment. We would send little notes back and forth until the last couple of years. They spoke of you and your family often with much pride. They were two wonderful people that will greatly be missed.*
