“ Michael and I served together in the Marine Corps when we were both hard charging fire breathing heart breaking death dealing Marines. He was a great mentor to me and helped me realize life is always worth living even when it gets tough. I'm sorry I didn't get to say goodbye brother! Know you made a difference in my life which made an entirely new generation of Marines as my three boys are now Marines. When we were our dirtiest we were our purest. SEMPER FIDELIS brother.

“ The day he met his wife Lori, he fell head over heels in love with her. Together they raised two children. Who gave them grandchildren to love until their last breath. Mike loved to laugh and he loved to make others laugh. He stayed true to himself, what you saw is what you got. He was definitely a family man. Now that God has called you home we will keep your family in prayer, God give them marvelous grace. The McGinty family John and Tammy
