“ *I only knew you for a short while, but it was wonderful. I will miss you and the times we spent together. We both loved to sew and enjoyed quilting together. My prayers are with your family for comfort and strength during their time of grief. God has received an angel.*

“ *Maw, How I will miss you so! I will always cherish the priceless memories I have of being with you over the years. I will forever remember the smell of your incredible fried chicken, baked apples, & caramel cake.*

Every time I hear a sewing machine, I will think of you. Thanks for all the warm hugs, smiles, encouragement & love! Give Paw & everyone else a hug for me up there. You were the best Grandmother a girl could ask for! Love, Susanne
