“ *I am sorry it has taken this long to type something on here. Miranda was my adopted granddaughter. I love her just like she was my own. She would sit in my lap and talk to me about anything and everything. When she left us a part of me went with her from my heart. She may not have been blood related by she was my family to. I am sorry for Karen. Amber, and the rest of the family I am right there with you all. Miranda was always my little spit fire is what I called her, because she was a fighter. I love Miranda and she will always be on my mind and in my heart. I can't wait to see her again. Rest in Peace my darling girl. Your loving Meme always.*

“ *I will never forget you and Haley running in the yard back when y'all were waist high. Such tomboys y'all were back then. And you both grew up into such DIVAS, got diagnosed with an illness at the same time and neither have a cure. You will Always be in my heart, you will always be missed, but most of all, I KNOW WITH OUT A SHADOW OF A DOUBT I WILL SEE YOU AGAIN!*

“ *Carmela,
It's so hard to understand why people are taken from us so young, but I know you must find comfort in knowing you were a special part of Miranda's life. You and your family are in my thoughts and prayers.*
