“ *So sorry to hear of the passing of Mrs Cantley. I graduated with her son Donnie. She was a fine christian lady and mother and her loss will be great to her family, church and community. Prayers go out to this family for comfort during this sad time, but Oh what a homecoming it will be and I don't think it will be long before we see her smiling face once again*

“ *Nancy always had a smile, loved her family and church. She was one of the friendliest proper southern christian ladies I ever met. She would almost giggle when talking about her children and her laugh was contagious. She will be greatly missed.*

“ *Doc and sibilins,*

I am so sorry for the loss of your Mother. She was a great lady that I will never forget. She was always supportive of me. We had conversations even after I left Dora High. She was an inspiration to mank.

Wish you and all all your families the best.
