“ *Nancy was a caring person who loved West Jefferson and W.J. school. We were having a can food collection for the needy once and I went to Nancy's door she absolutely cleaned out her pantry for the kids at school. I never had known of her saying no the the children. What a lasting impression she left on those students. What a wonderful lady and she will be missed greatly. I am so sorry for your loss.*

“ *My thoughts and prayers are with all of Nancy's family at this time of sorrow. Nancy will be deeply missed by all. She was my best friend in school and I have wonderful memories oof all those fun filled days. Life takes some of us in different directions and you may not see your friends as often as you would like, but true friendship last forever. I will always love and miss you my dear friend. May you rest in peace.*
