

## Pamela Harper

December 1, 1966 - May 22, 2025

Pamela Harper, age 58, of Dora, AL passed away on May 22, 2025. Born on December 1, 1966, Pamela was a beloved wife, mother, grandmother, sister, aunt and friend whose life was defined by her deep love for her family.

Pamela's greatest joy was found in the company of her loved ones. She poured her heart into every role she held, never hesitating to give her time, care, and unwavering support. Her strength and willingness to always lend a helping hand will be remembered by all who had the privilege of knowing her.

She is survived by her devoted husband, Kenneth Harper; her children, Kristina Ballew (Brett) and Kody Harper (Emily); and her five cherished grandchildren: Jaxon, Karson, Emily, Riley, and Kamdyn. She also leaves behind her loving brother, Jay Phillips (Kim); her dear aunt, Mary Anne Glover; and numerous other family members who brought her immense joy and whom she loved deeply.

Pamela was preceded in death by her father, Jerry Phillips; her mother, Patricia Moreland; and her grandparents, Herman and Vesta Glover.

Though Pamela's time with us was far too short, her memory will continue to live on through the lives she touched. She will be deeply missed, but her legacy of love, generosity, and family devotion will never be forgotten.

In accordance with Pamela's wishes, there will be no formal service. Her family asks that you honor her memory in your own way—whether through a quiet moment of reflection, sharing a story, or simply holding your loved ones a little closer. Her love lives on in the hearts of all who knew her.

# Tribute Wall

“ 38 yeate ago Pam let me have the Privilege of wearing her wedding dress when I got married. She will always be a dear close friend and sister to me. We watched our 2 oldest children grow up from being 2 year olds into awesome young adults. We had lots of fun getting together watching NASCAR and and playing cards on Saturday nights. She may be gone home to Heaven but she will always be here in our hearts and looking out for everyone. I love you Pam and Kenny Steve and I love you also along with this kidswe are always here and never forget you can always reach out to us for anything. Love y'all and sending my prayers.

*With my forever love and deepest sorrow and sympathy '*
