I just seen this and sorry to hear it. I was a trans plant from Maryland in 1972 and Paul and his brother took me under their wing. I spent a lot of time in his shop and we went hunting many times.

“ My Uncle Paul was so handsome and kind and he had a great laugh! He and my Aunt Barbara took me in for a while when I was in high school and I loved living with them. I also loved going camping at Guntersville with them and Susan and Tammy. He and my Dad worked together when I was little and I can remember going to his shop in Warrior. They went together (I think that's how it went!) and bought us a pony named Lightening..who liked to throw us off so I wasn't a big fan, but it was an awfully nice to say I had a pony for a little bit. Uncle Paul, you will be missed! Aunt Barbara, Susan, and Tammy, My prayers will continue and I love you all so much!
