“ I love Mrs. "Punkin" as we called her in high school so very much. I later married into her family when I married her nephew, Mike Ellis. She was such a sweet lady. I saw her out in the yard about 18 months ago working and planting flowers! Made my heart happy to see her still so active. Roger, I don't know your sister, but to both of you I say, Heaven has truly gained a beautiful angel. From the days of working the concession stand during break, to helping her in the office, then becoming her niece by marriage, I loved her very much. My prayers for your family.

Ms. Duncan was my bus driver for 10 years (Bus #45). She was the sweetest kindest person I have ever known. She always took care of the little kids on the bus making sure no one bothered us. I truly am saddened to hear of her passing. My condolences to the Duncan Family.
