“ *I am just now finding out you passed. I am so sorry and heartbroken. You were always so sweet to me. Last time I talked to you I got your phone number so I could keep in touch with you. Praying for your family and that sweet granddaughter I loved.*

“ *Peggy Lynn has been my sister for the last 43 years. And my friend for the 20 years before that. The last really happy memory that I have with her is the last night we spent at the hospital with my mother in law. Peggy was really alert that night and we talked and laughed until the middle of the night. Peggy Lynn and I talked about that night so many times. And how happy we all was. She is going to be missed so much by so many. Rickey she loved you more than life. When we was dating all she talked about was wanting you. I'm so glad y'all have had so many happy years to love each other. I know she will be waiting on you at Heavens Gates.* ”
