“ I remember all of us going night swimming at Smith Lake. Too funny. Had a ball. Phyllis you're going to be missed by many. I can see you, Jeff and Bonnie Fay all on the riverbank fishing, cooking fish and having a good old time. We will see you soon. Just keep us a spot on that riverbank so we can be fishing right along with y'all. Phyllis, we didn't talk that much, but you and Phillip have meant so much to me and Jeff. We didn't talk to y'all all the time, but y'all were always in my heart. Phyllis, this is so unreal. I will keep a check on Phillip for you. Love you and going to miss you.

“ I am her niece and she was 16 yrs older than me and she used to take me cruising through Sumiton and Dora when I was a preteen and she taught me how to get people behind you to turn their bright lights off and get off your bumper. We would have a lot of fun. I'm going to miss her dearly....i love you aunt Phyllis
