“ *Gene was an awesome friend to me; he always went above and beyond! I wish that I could have been there for him these last couple of years, like a good friend should...but he and Alta have always been (& will continue to be) in my heart, mind and prayers. Gene also greatly contributed to his community and local businesses and he was a friend to all; his absence will not go unnoticed. Praying peace and comfort for his wife, Alta, his children and grandchildren.*

“ We cross paths with few people in like who become true friends, and I feel fortunate to have known Eugene for more years than I can remember. He will be remembered by me for his honesty, his kindness and a sharp wit. I know that he was a loving husband and father, and I pray that Alta and the rest of the family will be comforted in this time of loss by the knowledge that he is in the presence of his loving Heavenly Father and free from the challenges of this earthly existence.
