“ *My sweet mother is a resident at Clare Bridge, where Becky was the head nurse. It was such a comfort to me and my family to know that Becky was overseeing Mom's care. Becky took a personal interest in each of the residents and was always a cheerful, encouraging presence. She softened the difficult transition that my mother had to make from her own home into an assisted living facility, and her ever-present smile brightened many lonely days for my Mom. I appreciated Becky deeply and will miss her, as will Mom. I know how much she loved her family, and when she learned that I teach at Birmingham-Southern, she couldn't stop bragging about her granddaughter who will be a 2014 BSC grad. It was a pleasure and a privilege to have known Becky; my thoughts are with her family at this time of loss.*

“ *Becky was a great spirit with boundless love for her family and a generous welcome for her friends. Knowing her and her family was a gift I treasure. She will be sorely missed by those who enjoyed her warmth. She also had the best Christmas trees I have ever seen and she loved to share their light!*
