“ *I remember Rex and Tina from the days when our boys were very young. He would always be hunting and fishing, in the gulf of Mexico, what an education he gave the boys. I will always remember him for his great sense of humor and generous nature toward everybody, especially toward me. It is a loss we wont get over soon and my prayers are with everybody who loved him.*

I remember Rex in his younger years when he would stop by and visit our family. He was always playing jokes on me as a teen. I have very fond memories of him. My prayers are with his family at this difficult time. Jan Owens-Parker

“*Rex was my former brother-in-law and a man with a heart of gold, just a great person that would do anything for anyone. I remember how happy he was when my kids came up to Aliceville so they could go duck hunting with Rex and his two boys, Alan and Steven. He just loved doing anything with all the kids together it didn't matter if it was hunting, fishing or just playing basketball at home. My prayers go out to the family, may he be at peace.*”
