“ I always remember Ricki as a sweet caring person. I am amazed at all the small things that she remembered about families and friends back in Creeltown. My sympathy to the entire family. I know she will be missed and remembered with love.

“ Mrs. Ricki, I loved her sweetness and concern for everyone she came in contact with. She would always ask me if I was feeling okay or if I was sick, and I would always tell her that I was fine, she worried about everyone else, besides her self, I'm going to miss this sweet and caring lady, may god help Rayburn, Jason , Kim and all her brothers and sisters and the rest of the family durning this difficult time, may you all find peace and comfort in Jesus name!
