“ Rob was and will always be one of the best. If you truly knew Rob then you know he had a heart of gold. If you needed help, he was there. And yes, he absolutely loved cutting his grass. I'll never forget walking out the house to him making laps around the yard on that lawnmower in his flip flops. He always told us he was working on that "flop tan line". And the times of him rolling down to the river on his fourwheeler will forever be sketched into our minds. The days of him cooking out on the grill to make us one of the best steaks ya could ever have, or frying up some deer meat in the skillet..mm. Even the memories of sitting in the living room blasting his music, him throwing his arm around Robert and going "I love you bitty"..those memories we'll forever cherish. Rob was one of the best father in laws, and he was a dang good dad. He loved his kids more than anything. What a great man we lost. We needed him here, but the Lord said he needed him home more. We love you Rob! - "Wylie" & "Bitty"
