“ *I knew Robert for almost 10 years. We worked together at Ahepa, Robert loved his mother. He was a kindhearted person would go whatever for you. Robert was more than a co-worker I considered him a friend, I was heart broken when I was told of his death, I will forever remember Robert all I have to do is walk around my house and see all the things he fixed. May his memory be forever in our hearts. May the peace of God continues to comfort you.*
